

# Uniform Designing

A design collection was developed for uniforms suitable for front office, at JADE PSG guest house.

A saree, typically a six-yard fabric, is widely worn in South Asian countries and is renowned for its versatility, allowing for customization based on individual preferences.

The collection was developed based on the trending traditional prints.

**Project duration: 5 days**

## User Analysis

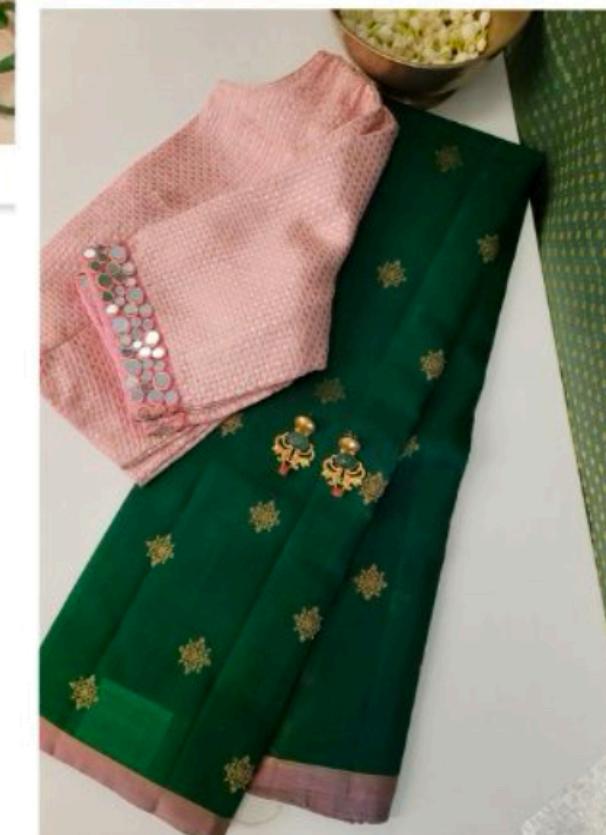

- Since it is a uniform saree we went with formal designs and minimal embellishments.
- 'The saree is kept simple with grandeur blouses'
- High neck blouses are given for a formal look and for the comfort of the wearer

## Saree collection

*Traditional*

*Blouse*

## Location Analysis

The fabrics must be comfortable for both summer and winter hence we chose silk cotton.

## Concept Style

- Traditional Indian art styles are used to provide emphasis on the sarees and blouses.
- Simple yet elegant styles are used to give a clean look.

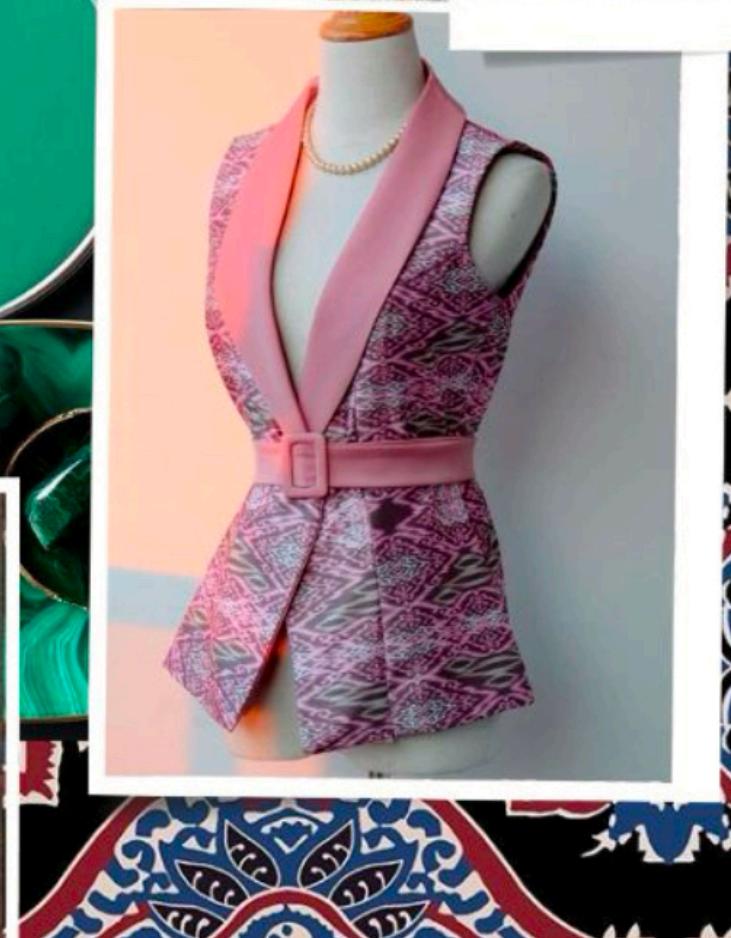

## Fabric Analysis

Silk cotton is a breathable fabric, it can also be maintained easily
